

PLAN APPROVAL

1. PLAN APPROVAL PROCESS

1.1 NOTE: Before construction work can commence, the PURCHASER is required to pay a non-refundable **Plan Submission Fee** in the amount of **R11, 000.00** and a **Building Performance Deposit** in the amount of **R9, 000.00** to the Elements Body Corporate.

Total amount payable **R20, 000.00 (excl. VAT).**

(The above fee may be reviewed and amended at the discretion of the EAC and is subject to an annual increase of 10%)

Branch: Rivonia 001255

Account No: 420 047 956

1.2 For alterations and/or additions to an existing residence whereby the estimated total value of work is equal to or less than R500, 000.00, the **Plan Submission Fee** will be halved to **R5, 500.00 (excl. VAT).**

For alterations and/or additions exceeding R500, 000.00, the full fee as per point 1.1 above applies.

1.3 Only Architects registered with the South African Council for the Architectural Profession (SACAP) may submit drawings for development within EPGR, and all Engineers must be registered with the South African Institution of Civil Engineering (SAICE).

1.4 The EAC scrutinizes the Sketch Plans and either: -

- Approves the plans unconditionally
- Requests amendments
- Advises that the EAC will not object to the design in the case that it deviates from the already approved designs
or
- Disapproves totally

1.5 The Sketch Plans are collected by the architects and if approved, developed to Council / Working Drawings. If amendments are required, submit those amendments for approval. If disapproved, new designs need to be submitted.

1.6 Upon completion of Council / Working Drawings, those are submitted to the EAC for scrutiny and approval. It is essential that these Working Drawings prove to be a development of the approved Sketch Plans. If approved, the EAC will apply the stamp of approval. The decision of the EAC is final.

1.7 Architects and Landscape Architects may obtain all documentation and plans relevant to the site from the appointed architect of EPGR.

1.8 This document should be considered supplementary to the National Building Regulations (N.B.R.) and cannot take precedence should any provision of this document be regarded as contrary to the N.B.R. Any variance to the N.B.R. or any other statutory requirements shall be brought to the attention of EAC.

1.9 This document should be considered supplementary to the Local Authority requirements and cannot take precedence should any provision of this document be regarded as contrary to the Local Authority requirements, then the Local Authority requirements shall prevail. Any application for waivers of Local Authority requirements should meet first with the approval of EAC.

1.10 The Local Authority will not scrutinize any plans without the EAC "Approved" stamp. It is understood that the approval of plans by the EAC does not supersede any legal, common or by-laws governing those issues.

1.11 The Review Architects act in an advisory capacity only and all comments are at the discretion of EAC. Whilst a proposal may comply with the rules and guidelines contained in this document, the final design must in every way comply with the aesthetic purpose of Elements Private Golf Reserve. To this extent, each design will be reviewed in relation to its own merits.

1.12 Proposed tender list to be submitted to EAC prior to issue to tenderers (allow 14 days).

2. PLAN APPROVAL PROCEDURE
